

Dear Arts Patron,

Now in its 22nd year, the 2023 Boston Arts Festival will be held in Christopher Columbus Park on Saturday, September 9th and Sunday, September 10th. Begun in 2003, we created the 501c3 in 2016. Our mission is providing opportunities to Boston area visual fine artists to exhibit and sell their work, and giving local musicians a stage to perform for larger audiences. Our events are free, accessible, and open to the public. One of our goals is to provide all Boston residents free access to art and music. We particularly strive to present art and music in a way that encourages visitors to speak with the creators.

The Boston Arts Festival, one of the best attended and most significant annual events of the Boston Arts community, brings tens of thousands of visitors into the city. Our printed materials are circulated to thousands of attendees, as well as Visitor Centers and hotels throughout the Boston area for months prior to the event. Your logo can be on banners and signage on our Main Stage and throughout the Park. Your organization will be represented at the event and featured on our website through March 2024.

Our City of Boston has so many talented artists and musicians, and this unique event kicks off the fall Open Studios season. We care so deeply about the Boston Arts community. This is a fantastic opportunity to advertise or be present at the event, having 30,000 to 40,000 attendees viewing your company. Please join us in making this happen!

Thank you for your consideration and support,

Jen Matson
Director | The Boston Arts Festival

Yes!
